

# Online Magazine Launch - UX Review:

## The Challenge:

- ❑ Maximise user page views per session
- ❑ Maximise time on site

## The Solution:

- ❑ Website analysis on two devices
- ❑ Determine priority actionable changes by severity

## What They Said:

*"G67 are a quick, flexible solution to rapidly growing and understanding your digital audience. Anne-Marina is smart and savvy and brings practical solutions to small businesses, which has been crucial to us as publishers"*

*Heather Catchpole, COO*
